In autumn 2023, the City of London Corporation launched a landmark report, Vision for Economic Growth, a roadmap to prosperity. It set out nine big moves for Government and industry in partnership. These could help unlock £225 billion of investment by 2030 and drive economic growth across the UK.

Our scorecard shows progress and next steps two years on:

Big move	Progress and next steps
A UK Financial and Professional Services (FPS) Strategy and Partnership Council	<div data-bbox="440 645 504 712"></div> <div data-bbox="536 645 1406 712">The Government has published its wide reaching Financial Services Growth and Competitiveness (FSGC) Strategy.</div> <div data-bbox="440 768 504 835"></div> <div data-bbox="536 768 1358 835">The Financial Services Skills Commission is leading work to develop a skills compact to ensure the sector has the skills it needs.</div> <div data-bbox="440 857 504 943"></div> <div data-bbox="536 857 1406 943">Delivering against the roadmap set out in the FSGC Strategy will be critical in ensuring the sector can continue to drive investment and growth across the UK.</div>
A programme of change for UK pension and insurance funds	<div data-bbox="440 992 504 1059"></div> <div data-bbox="536 992 1398 1059">The Pensions Schemes Bill will lead to fewer, larger pension schemes. This will enable them to better invest in scale up companies and infrastructure.</div> <div data-bbox="440 1115 504 1182"></div> <div data-bbox="536 1115 1406 1182">The Employer Pension Pledge ensures that employers focus on value for money and transparency when selecting pension providers.</div> <div data-bbox="440 1205 504 1290"></div> <div data-bbox="536 1205 1430 1290">Government will work with major UK pension providers to connect them to public investment opportunities e.g. housing and infrastructure.</div>
Effective government support	<div data-bbox="440 1339 504 1406"></div> <div data-bbox="536 1339 1414 1406">The Government's Leeds reforms set out a number of key initiatives to boost the FPS sector.</div> <div data-bbox="440 1462 504 1529"></div> <div data-bbox="536 1462 1414 1556">The City of London Corporation has published recommendations to encourage a growth mindset across the UK's financial services ecosystem. Regulators must support responsible risk-taking by firms.</div> <div data-bbox="440 1608 504 1693"></div> <div data-bbox="536 1608 1422 1711">The City of London Corporation has identified a £150bn shortfall in capital required to power the UK's scale-up economy and critical infrastructure by 2030. Government must shape and deliver investable opportunities for investors.</div>
Internationally competitive on data and digital	<div data-bbox="440 1765 504 1832"></div> <div data-bbox="536 1765 1414 1832">The Data Use and Access Act has been in effect since July 2025. This enables key developments in the UK's competitiveness including digital verification services.</div> <div data-bbox="440 1865 504 1933"></div> <div data-bbox="536 1865 1358 1977">The City of London Corporation published plans to create a scalable digital verification service (DVS). We are working to scale the operating platform proposed.</div> <div data-bbox="440 1977 504 2063"></div> <div data-bbox="536 2022 1430 2096">Successful implementation of a DVS could unlock up to £4.8bn in economic value, boost security, reduce fraud, and streamline financial services.</div>

Big move

Progress and next steps

<p>An innovation and growth mindset</p>	<div>  <p>The Government has published its AI Opportunities Action Plan. It aims to cement the UK's position as a global leader.</p> </div> <div>  <p>Financial Services firms need to address the sector's AI skills gap to unlock the significant AI growth opportunity.</p> </div> <div>  <p>The UK and US Governments have set up the Transatlantic Taskforce for Markets of the Future to enhance collaboration on capital markets, digital assets and other innovative financial activities. Industry should work with Government to unlock opportunities.</p> </div>
<p>Scale and accelerate finance for the transition</p>	<div>  <p>We co-launched the Transition Finance Council with Government. It takes forward the recommendations of the Transition Finance Market Review (TFMR) and develops the UK as a leading transition finance centre.</p> </div> <div>  <p>The Council takes forward work in collaboration with over 80 senior leaders from across the UK market. It focuses on establishing credibility and integrity, creating an enabling policy environment, and scaling transition finance.</p> </div> <div>  <p>A whole-of-government, economy-wide approach is needed to align market signals, address systemic barriers, and mobilise transition finance.</p> </div>
<p>New investment opportunities in high-integrity markets</p>	<div>  <p>Government has signalled support for high-integrity markets by committing to include carbon removals in the Emissions Trading Scheme. It is refining its market principles through consultation. The UK has joined international partners to launch the Coalition to Grow Carbon Markets.</p> </div> <div>  <p>The City of London Corporation convenes the UK Carbon Markets Forum, and has jointly published a roadmap to maximise the UK's potential as a global centre for carbon market activities.</p> </div> <div>  <p>Next steps are to leverage the current policy and market momentum to unlock the full potential of the Voluntary Carbon Markets and embed the UK's role as a global leader.</p> </div>
<p>UK FPS showcased internationally</p>	<div>  <p>The City of London Corporation is partnering with government and regulators to establish the Office for Investment: Financial Services (OFI:FS).</p> </div> <div>  <p>A public-private partnership, the OFI:FS will provide a proactive, seamless and tailored services for priority financial services investors. They will benefit from support across the end-to-end investor journey as they locate and scale in the UK.</p> </div> <div>  <p>Embedding this investor-centric service delivery and coordinated UK-wide approach is set to attract £10bn of international capital by 2030.</p> </div>
<p>Innovative global networks</p>	<div>  <p>The Government has published a UK Trade Strategy.</p> </div> <div>  <p>We visited 19 countries internationally in 24/25, supporting business delegations and engaging with governments and regulators worldwide. Alongside the international programme we visited ten UK regions and nations, strengthening the UK's integrated offer to international partners.</p> </div> <div>  <p>Deliver on the Transatlantic Taskforce for Markets of the Future to enhance collaboration on capital markets, digital assets and other innovative financial activities.</p> </div>
